

## BTEC Uniformed Public Services Transition Homework

The following tasks are designed to prepare you for the three units you will be completing in year 12. Complete them to the best of your ability and use research techniques such as the internet, to help.

### Task 1 (unit 5)

Most public services have entry requirements you must meet before they will consider you for a role. These include interviews, written exams and fitness tests. Research and record the entry requirements for **three** of the following public services:

- Navy
- Army
- Police
- Fire service
- RAF
- Ambulance/paramedic service

*You must include qualifications needed, interviews, fitness tests (and minimum scores), and anything else you need to be considered for a public service role.*

### Task 2 (unit 1)

The government are responsible for running our country and the laws we live by. Describe each of the following levels of government and outline their responsibilities:

- Central government
- Local authority
- European Parliament

### Task 3 (unit 2)

All public services require good strong leaders. These leaders require certain characteristics. Create a mind map showing the qualities of a good leader and give examples of leaders in the public services.
